MEMORANDUM FOR: Executive Committee Members
FROM: Executive Assistant to the Executive Director
SUBJECT: Agenda for 8 March 1984 Executive Committee Meeting:
(1) Cohabitation Policy and (2) Clandestine Sensors

The attached paper repeats, as background, much of the previous Executive Committee discussion on clandestine technical collection with sensors. Evan Hineman will provide his recommendations for a DDS&T unit for managing sensor operations during tomorrow's Executive Committee meeting (1430 hours in DCI Conference Room).
